Per Article VIII, Section 3 of the Joint Powers Agreements dated August 9, 2016, Fairmont Area Schools is providing notice that starting with the 2018-2019 school year we will be hiring our own special education paraprofessionals.

During the 2017-2018 school year, we will be working with the Education Minnesota to negotiate a new contract with the paraprofessionals for the 2018-2020 school years.

Sincerely,
