Section 4. **CONTRACTS.** The Cooperative shall not be responsible for any pre-existing employment contract issued by a member district or a special education cooperative for any person subsequently employed by the Cooperative, unless approved by the Cooperative Board.

Section 5. **GROUP INSURANCE.** The Cooperative and all or any member districts (with consent of the exclusive representatives of employees when required) may pool their employees, retired employees and board members for group insurance acquisition purposes, provided that there is compliance with applicable group insurance acquisition laws.

ARTICLE IV

FINANCES

Section 1. **COSTS.**

Subd. 1 Specific Services. For services that are used specifically for students, the costs are based on “usage” of that specific service. For example: Districts that obtain speech and language services from the cooperative will be billed costs based on the percentage of time that district uses that service.

Subd. 2. Cooperative Support Services. Costs that are variable and increase based on the amount of services the Cooperative provides will be billed based on the total percentage that the Cooperative bill in the prior school year. For example: the more services the Cooperative provides, the higher the phone bill. Therefore, the phone bill will be divided based on the percentage that a district used the Cooperative in the prior fiscal year.

Subd. 3. Administrative Costs. Costs that are general costs regardless of the size of the Cooperative (i.e. the annual fiscal audit) will be shared by the member districts according to the percentage of total enrollment in the Cooperative.

Subd. 4. Transportation Costs. Member districts are responsible for transporting students to Cooperative programs and events. If transportation is provided by the Cooperative, the transportation costs shall be included in the payments made by the member districts. The member districts and the Cooperative may agree that all or part of the transportation of pupils may be provided by the Cooperative or by a member district. The Cooperative Board may adopt formulas to allocate the costs of all necessary transportation.

Subd. 5. Capital Expenditure Costs. The Cooperative Board, with approval of the member districts, may adopt formulas to allocate capital costs as may be required for the operation of the Cooperative.

Section 2. REVENUE.

Subd. 1. Additional Revenue. All special state and federal aids earned by the operation of the Cooperative shall be paid to the Cooperative. All such aids shall be credited to the program for which they were earned. All such aids shall be credited to the operating costs and none shall be credited to the administrative costs, except those special aids which are specifically intended to affect the administrative costs.

Subd. 2. Application for Reimbursement. The Cooperative shall make all efforts to ensure all state and federal guidelines are followed. Each member district shall supply the Cooperative with the information the Cooperative Board requires for this purpose. Each member district may apply separately for state reimbursement for programs provided by the member district. The Cooperative shall prepare all reports required by state and/or federal agencies relating to special education staff employed by the Cooperative.

Section 3. BUDGET APPROVAL. The Cooperative Board approves a budget for the Cooperative for the following school year. The budget shall include capital expenditure, facilities and equipment costs. Prior to preparing the budget, the Cooperative Board shall determine the amount of state and federal revenue which will be received by the Cooperative or its member districts in the next fiscal year. The Cooperative Board will approve a revised budget by December 1 with changes in personnel and revenue projections. The budget must be approved by a majority vote of the members of the Cooperative Board.

Section 4. **PAYMENT OF COSTS OF SERVICES.** Payment of costs of services for each member district pupil shall be made to the Cooperative in four (4) installments of twenty percent (20%) of the member district's share of the operating costs. Said payments shall be made in August, October, January and March of each school year. An additional payment of ten percent (10%) shall be made in April. An adjustment of actual costs shall be submitted at the close of the fiscal year. August and October bills are estimated based on prior year expenditures. January bills are based on the revised budget and include working documents used to calculate the expenditures. March and April bills are based on January projections for expenditures and revenue. The final bill is completed at the close of the fiscal year with working documents to calculate the expenditures.

Section 5. **DISPUTE RESOLUTION.** In the event any member district does not agree with the adjustment for actual costs made at the end of the school year pursuant to Section 4 of this Article, it shall make any payments due at that time and shall immediately request the Executive Director to review the actual costs specified. The Executive Director shall within ten (10) working days review the request and deny it or adjust the amount due in writing. Failure by the Executive Director to respond to the request within said ten (10) working day period shall constitute a denial. If the Executive Director denies the request, or the adjustment is not considered satisfactory, or the Executive Director does not respond to the request, the complaining member district shall request within five (5) working days of receipt of the Executive Director's reply or failure to reply a joint meeting with the Cooperative Board. That joint meeting shall be held within ten (10) working days of the request. The Cooperative Board shall reply at the joint meeting or in writing within ten (10) working days after the joint meeting. Failure of the Cooperative Board to reply within said ten (10) working day period shall constitute a denial. If a member district is still not satisfied by the action of the Cooperative Board, it may initiate arbitration of the issue within ten (10) working days of receipt of notice of the Cooperative Board's action or denial. The member district may initiate the arbitration by submitting a written request to the Cooperative Board for arbitration of the issues by an arbitrator to be selected by the parties in dispute, which request shall

fully state the issues yet to be resolved. The member district shall request a list of seven (7) names from the Bureau of Mediation Services (BMS) list of arbitrators. Upon receipt of the list from BMS, the parties in dispute shall within five (5) working days select an arbitrator by alternately striking six names from the list. A toss of coin shall determine the order in which the parties in dispute strike names from the list. Unless agreed to otherwise by the parties in dispute, the arbitrator selected shall not be a resident or voter of the member district or Cooperative. The decision of the arbitrator shall be final and binding on the parties. Each party shall be responsible for its own legal fees and costs incurred related to the arbitration, except the parties shall share equally the costs and fees of the arbitrator.

Section 6. **FISCAL AGENT.** A member district may act as fiscal agent for the Cooperative upon request of the Cooperative Board and approval by the school board of the member district to undertake the roles and responsibilities of fiscal agent for the Cooperative.

Section 7. **UNREIMBURSED COSTS.** Any unreimbursed costs incurred by the Cooperative in providing other special education services or programs shall be billed back to the member district as a special cost of services in addition to the regular tuition cost.

Section 8. **CASH FLOW.** According to Minnesota statute, cooperatives are unable to obtain tax aid anticipation certificates. As a result, if the Cooperative is unable to maintain cash flow, the Cooperative will send a bill for 20% of the annual bill to all member districts. The amount will be reduced from the bill during the following fiscal year.

Section 9. **DEVIATION FROM JOINT AGREEMENT.** If in a given year the Cooperative feels the need to deviate from this agreement related to billing with respect to the timing of payments (i.e. a new district joins the Cooperative or there is a significant change in services), the Cooperative Board in its sole discretion may make a one-year adjustment to the Joint Powers Agreement with a unanimous vote of the Cooperative Board.

ARTICLE V

PUPILS AND RELATED MATTERS

Section 1. **MEMBER SERVICES.** It is intended by the member districts that special education and related services be provided by the member

districts to the extent possible. However, the member districts agree that the most unique and low incidence services are to be provided by the Cooperative. The Cooperative Board reserves the right to determine these services.

Section 2. **SERVICES.** The identification, assessment, educational placement and provision of services to students as well as any procedures, meetings, hearings or appeals related thereto, shall be conducted in compliance with state and federal law.

Section 3. **PUPIL RECORDS.**

Subd. 1. **Location.** Cumulative records of pupils not attending or who previously attended the Cooperative shall be maintained by the member district. Transcripts shall be available from the member district. Cumulative records of students who attend Cooperative programs shall be maintained by the Cooperative until the student exits the program. When a student exits the Cooperative program the student's records shall be transferred to the student's member district.

Subd. 2. **Report Cards.** Report cards of students attending any Cooperative program shall be issued by the Cooperative.

Subd. 3. **Other Actions.** All matters related to student behavior and performance at the Cooperative, including discipline and assignment to programs, shall be under the control of the administration of the Cooperative; a member district administrator may be asked to assist if Cooperative administration is not available.

Section 4. **CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES; COMPENSATION; ASSIGNMENT OF COACHES.** Cooperative co-curricular and extracurricular activities shall be determined by the Cooperative Board. Compensation for employees assigned to such activities shall be determined by the applicable collective bargaining agreement, if one exists, or by the Cooperative Board if no such agreement is applicable. Assignments of employees to such activities shall be determined by the Cooperative Board, except as otherwise required by contract or law.

ARTICLE VI

SCHOOL EQUIPMENT AND SUPPLIES; CONTRACTS AND BIDDING; PURCHASES

Section 1. **OWNERSHIP.** All equipment, materials and supplies purchased by the Cooperative for the Cooperative program shall become the exclusive property of the Cooperative and shall be chargeable as operating costs under this Agreement. Before purchasing any such equipment, materials or supplies, the Cooperative shall first consider any surplus equipment, materials or supplies presently owned by a member district which the member district desires to sell. Nothing in this section shall prevent any member district from donating equipment and supplies to the Cooperative.

Section 2. **CONTRACTS; BIDDING.** Contracts shall be let and leases, purchases, rentals and sales shall be made in accordance with the legal requirements applicable to independent school districts.

Section 3. **JOINT PURCHASING.** The Cooperative and the member districts may purchase or sell equipment, materials, supplies and fixtures under a joint arrangement or bidding process.

ARTICLE VII

The Cooperative Board may, with the consent of a member district, lease all or part of the real or personal property of a member district as needed to conduct activities of the Cooperative which are authorized or required by this Agreement or law. Such a lease may be for nominal consideration, without consideration or for such consideration as may be agreed upon by the school board of the member district and the Cooperative Board pursuant to law.

ARTICLE VIII

NOTICES; WITHDRAWAL; ADDITION OF OTHER MEMBER DISTRICTS;

DISSOLUTION; BREACH; AMENDMENTS

Section 1. **NOTICES.** All notices required or permitted to be given by the Cooperative to a member district, and by a member district to the Cooperative, shall be given by the Executive Director in the case of the Cooperative and by the clerk of the school board in the case of a member district. The notice shall be in writing and shall be sent by registered or

certified mail to the Cooperative Board of the Cooperative or the school board of the member district at its administrative offices. A notice shall be timely if postmarked on the date it is due. In the case of a notice requiring board action, a certified copy of the resolution, motion or minutes of the board specifying the board action shall be sent with the notice.

Section 2. **ADDITION OF MEMBER DISTRICTS.** Any school district wishing to participate in the Cooperative which was not a signatory to the original Joint Powers Agreement may make application to the Cooperative for membership. A majority vote of the full membership of the school board of each member district of the Cooperative and a unanimous vote of the members of the Cooperative Board shall be required to accept the applicant district, and the member districts shall determine the terms, conditions and obligations of the applicant district upon acceptance, including any obligation of the applicant district for payment of bonded debt or other obligations theretofore incurred by the member districts of the Cooperative. Such terms, conditions and obligations or existing law may require the vote and consent of the applicant district prior to its taxable property becoming subject to taxation for payment of bonded debt previously incurred by the member districts for the Cooperative. Upon acceptance and compliance with all terms, conditions and obligations required by the member districts and upon adoption of an amendment to this Agreement pursuant to Section 6 of this Article, the applicant district shall be entitled to appoint, in the manner specified in Article II of this Agreement, the number of member to the Cooperative Board authorized by the member districts. The member appointed shall have the same authority, rights and powers, including voting rights, as other members of the Cooperative Board and the new member district shall have the same rights and obligations as other member districts, including the obligation for payment of tuition for its pupils attending or served by the Cooperative.

Section 3. **WITHDRAWAL OF MEMBER DISTRICTS.**

Subd. 1. **Procedure.** Except as otherwise provided in any separate agreement by the parties regarding facilities, any member district may withdraw from this Agreement by resolution adopted by a majority vote of the full membership of its school board and by

formal written notice to the Executive Director of the Cooperative. The notice shall include a certified copy of the adopted withdrawal resolution. A withdrawal shall only be permitted as specified in this section.

Subd. 2. Notification. Withdrawal shall only be permitted if the notice required pursuant to this section is given at least one (1) year in advance of the withdrawal, but no later than June 30th of the prior fiscal year, i.e. notice by June 30, 1996 for withdrawal on July 1, 1997. The withdrawal of a member district shall not affect the continuing liability of the member district from continuing obligations incurred prior to the notice of withdrawal, including bonded debt and lease-purchase or installment purchase obligations provided by separate Agreement. The withdrawing member district shall also be obligated for continuing obligations or liabilities of the Cooperative caused by the withdrawal of the member district, including unemployment compensation and other costs. The withdrawing member district shall forfeit all rights and claims to all property, both real and personal, and all other assets of the Cooperative.

Subd. 3. Cooperative Employees Upon Withdrawal. A member district that withdraws from the Cooperative shall be responsible for Cooperative staff as provided in Minnesota Statutes Section 123A.33.

Section 4. **DISSOLUTION OF A MEMBER DISTRICT.** If any member district dissolves or consolidates with a district that results in the district no longer being a member of the Cooperative, the liability of the member district will continue with obligation upon the taxpayers within the previous district. All property owned by the Cooperative, both real and personal, will remain in the possession of the Cooperative.

Section 4. **BREACH OF AGREEMENT.** Any member district breaching this Agreement shall be given written notice by the Cooperative of the breach and the nature thereof and shall have thirty (30) days in which to cure such breach. Upon failure to cure such breach within said time period, the Cooperative and Cooperative Board, in addition to other remedies provided in this Agreement,

may terminate such member district's rights in the Cooperative by a resolution adopted by a majority vote of the full membership of the Cooperative Board, excluding the members of the Cooperative Board appointed by the breaching member district. Upon termination, such member district shall not be entitled to any reimbursement from the Cooperative or be entitled to any property thereof, but the property of the member district shall continue to be taxable for the payment of any bonded debt previously incurred by the Cooperative. The terminated member district shall, in addition, be liable for any obligations entered into by the Cooperative prior to termination, which may be collected in a legal action by the Cooperative, if necessary.

Section 5.

DISSOLUTION. The Cooperative may be dissolved and this Agreement terminated if the majority of the school boards of all member districts formally agree to dissolve the Cooperative and terminate this Agreement. Upon dissolution, all funds and property remaining after payment of all outstanding debts and obligations shall be distributed to the remaining member districts in the proportion which the total enrollment of all students enrolled in a member district in grades K-12, including public and non-public students of each member districts still remaining, and the proportionate contributions made pursuant to this Agreement and any predecessor Agreements, by the member districts. Prior to dissolution, the remaining member districts may unanimously agree in writing upon a different method of distribution. The dissolution shall not affect the continuing liability of present or former member districts for indebtedness incurred prior to the dissolution, or for other continuing obligations, including unemployment compensation through the effective date of dissolution.

Section 6.

AMENDMENTS TO THIS AGREEMENT. Amendments to this Agreement may be proposed by the school board of any member district or the Cooperative Board. Notice of proposed amendments shall be sent to all member districts and the Cooperative. Adoption of an amendment to this Agreement

must be approved by the school board of each member district before it shall become effective. An amendment shall require the signature of the proper officers of the member districts and shall be an addendum to this Agreement.

ARTICLE IX
