 Re: Orientation and Mobility Services

At the request of the Region 9 Special Education Directors, SCSC has had the ability to hire a Certified Orientation and Mobility Specialist to meet the needs of the member districts for the FY19 school year. This individual is part time (70 days). The cost of the position is shared among the member districts.

This agreement serves to confirm that your district(s) will receive O & M services as needed during FY 19. The Low Incidence Grant will cover the costs related to travel as well as other incidental costs related to the position.

Region 9 O & M Services

Southern Plains Special Education Cooperative Total = \$ 9,987.91

Breakdown	Salary	Benefits	Total
