#### SAMPLES OF COMPLIANCE:

Ricky needs intensive social skills instruction and practice in a small group situation in order to improve his ability to resolve conflict and cooperate with peers. He will receive this instruction from the social worker and EBD teacher during his study hall.

Due to Sue's significant information processing deficits in the areas of auditory acquisition and organization related to sequencing words, she needs small group reading instruction with repeated directions in multiple formats. Therefore, she will be removed from general education reading to receive this instruction.

#### SAMPLES OF NONCOMPLIANCE:

Ricky will spend no less than 79% of his school day in a general education setting with his peers. He will receive the majority of his special education services in the general education setting.

Sue needs a quiet environment with few distractions in order to progress in her academics. She will also use the resource room to organize her materials and complete classroom assignments.
